S. DUNS Number – Data Universal Numbering System

The federal government requires organizations to provide a DUNS number as part of their grant applications and Bids. The OMB has adopted the use of DUNS numbers to keep track of how federal grant money is awarded and dispersed. The DUNS number is a nine-digit number the Dun and Bradstreet Company issues. This company provides business information for credit, marketing and purchasing decisions. Some entities will also have what is known as “DUNS + 4,” which is used to identify specific units within a larger entity.

Registering for a DUNS number is free of charge with no obligation to purchase any products from the Dun and Bradstreet Company. An authorizing official of the organization should request the number. Generally, it only takes a day to obtain a DUNS number by phone (1-866-705-5711), while applications through [the Dun and Bradstreet website](#) can take up to 30 days.

The prospective participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

CERTIFICATION REGARDING ENVIRONMENTAL TOBACCO SMOKE

The Pro-Children Act of 2001, 42 U.S.C. 7181 through 7184, imposes restrictions on smoking in facilities where Federally-funded children’s services are provided. HHS grants are subject to these requirements only if they meet the Act’s specified coverage. The Act specifies that smoking is prohibited in any indoor facility (owned, leased, or contracted for) used for the routine or regular provision of kindergarten, elementary, or secondary education or library services to children under the age of 18. In addition, smoking is prohibited in any indoor facility or portion of a facility (owned, leased, or contracted for) used for the routine or regular provision of federally funded health care, day care, or early childhood development, including Head Start services to children under the age of 18. The statutory prohibition also applies if such facilities are constructed, operated, or maintained with Federal funds. The statute does not apply to children’s services provided in private residences, facilities funded solely by Medicare or Medicaid funds, portions of facilities used for inpatient drug or alcohol treatment, or facilities where WIC coupons are redeemed. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to \$1,000 per violation and/or the imposition of an administrative compliance order on the responsible entity.
